**OFFICE OF PETITIONS**

In re Application of	:	
Mark W. Miles	:	
Application No. 09/991,378	:	DECISION ON PETITION
Filed: November 21, 2001	:	UNDER 37 CFR 1.78(a)(3)
Attorney Docket No. 01568-006003	:	

This is a decision on the petition under 37 CFR 1.78(a)(3), filed June 30, 2004, to accept an unintentionally delayed claim under 35 U.S.C. § 120 for the benefit of priority to the prior-filed nonprovisional application(s) set forth in the amendment filed concurrently with the instant petition.

The petition is **GRANTED**.

A petition for acceptance of a claim for late priority under 37 CFR 1.78(a)(3) is only applicable to those applications filed on or after November 29, 2000. Further, the petition is appropriate only after the expiration of the period specified in 37 CFR 1.78(a)(2)(ii). In addition, the petition under 37 CFR 1.78(a)(3) must be accompanied by:

- (1) the reference required by 35 U.S.C. § 120 and 37 CFR 1.78(a)(2)(i) of the prior-filed application, unless previously submitted;
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due under 37 CFR 1.78(a)(2)(ii) and the date the claim was filed was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional.

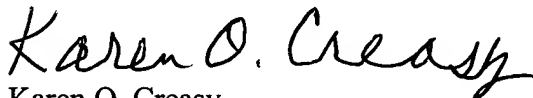

Petitioner has met all of the requirements listed above.

*The granting of the petition to accept the delayed benefit claim to the prior-filed application(s) under 37 CFR 1.78(a)(3) should not be construed as meaning that the instant application is entitled to the benefit of the prior-filed application(s). In order for the instant application to be entitled to the benefit of the prior-filed application(s), all other requirements under 35 U.S.C. § 120 and 37 CFR 1.78(a)(1) and (a)(2) must be met. Similarly, the fact that the corrected Filing Receipt accompanying this decision on petition includes the prior-filed application(s) should not be construed as meaning that applicant is entitled to the claim for benefit of priority to the prior-filed application(s) noted thereon. Accordingly, the examiner will, in due course, consider this benefit claim and determine whether the instant application is entitled to the benefit of the earlier filing date.*

A corrected Filing Receipt, which includes the priority claim to the prior-filed nonprovisional application(s), accompanies this decision on petition.

Any inquiries concerning this decision may be directed to Marianne Jenkins at (571) 272-3223.

This application is being forwarded to Technology Center Art Unit 2675 for appropriate action on the amendment filed June 30, 2004, including consideration by the examiner of applicant's entitlement to claim benefit of priority under 35 U.S.C. § 120 to the prior-filed nonprovisional application(s).
